DETERMINATION of AWARDS

Prizes will be awarded on a points system. 30 points for each "tournament" legal musky caught, plus 1 point for each $\frac{1}{4}$ (one quarter) inch over 34 inches (rounding down to nearest quarter inch). 34 inches and over, is a tournament legal fish.

Prizes will be based on the total points accumulated during the day of fishing.

CASH PRIZES

Based on eighty (80) boat entries, pay out for 1st - 5th places. — In the event of a tie, with two placing teams finishing the tournament with the same point total, the prize money will be split evenly between those two places. There are several ways this could happen, but here is one example: Team A finishes with a 45" fish, Team B finishes with a 40" fish, and Team C also ends with a 40" fish. Team A will take 1st prize, while Teams B and C will split the 2nd and 3rd place winnings evenly. The remaining places will be paid out accordingly. In the event of the big fish of the day being a tie, the two anglers will split the prize evenly provided they both entered the big fish contest.

3. All contestants are required to follow the highest standards of sportsmanship, courtesy and conservation. Contestants should conduct themselves in a manner that will bring credit to themselves, Muskies Matter, sponsors, and the sport of fishing.

4. Each team **is required** to have a cell Phone to communicate to the lake judges.

5. If you are late or not ready at take off you will be sent to the end of the take-off line. If your partner is missing at take off you will not be eligible to fish. When he/she shows up you will have to get checked in.

6. All contestants and boats must comply with Wisconsin Fishing and Boating Regulations. **Absolutely no alcohol allowed during tournament hours.**

7. **All boats** will be inspected in the morning prior to tournament competition.

8. Each morning take off will follow in order according to boat numbers. Boats will take off with a delay of fifteen- (15) seconds between each take off. If it's a foggy morning

we will hold take off till the fog clears, or if visibility improves. If visibility does not improve we may have a no-wake start. We will not add lost time to the fishing hours.

No boats will go on plane during this no-wake take off. **If you are caught having your boat on plane you will be disqualified.**

All muskies, no matter the size, must be released at the spot of capture and not transported. Transportation is considered possession, and will not be allowed in this tournament.
16. This is a catch & release tournament. Each musky caught should not be taken from the water until a judge boat arrives. The judge will witness measurement of the musky upon arrival with the judge's bump board. You may pinch the tips of the tale together. The musky will then be released. The judge will witness all fish released. Contestants may resume fishing upon successfully registering and releasing their fish.
